## Making a Positive Impact in Northern Kentucky

### THE NORTHERN KENTUCKY FUND OF GCF

For nearly 50 years, The Greater Cincinnati Foundation (GCF) has been helping people achieve their charitable goals, supporting nonprofit organizations, and creating lasting good work in the region.

In 1998, GCF teamed with local leaders through the Forward Quest initiative (now Vision 2015) to establish The Northern Kentucky Fund of The Greater Cincinnati Foundation. This permanent endowment brought together diverse donors with a common goal of enhancing the quality of life in this community.

Through the contributions of local residents, the leadership of the Fund's Advisory Board and GCF's unrestricted funds, grants totaling more than \$21,000,000 have been awarded to organizations and programs serving Northern Kentucky.

#### **Supporting a healthy and vital community**

Since its inception, The Northern Kentucky Fund has been making a positive impact in Boone, Campbell and Kenton counties, helping create a healthy and vital community by enhancing the quality of life for all.

For donors, the Northern Kentucky Fund offers:

-  simplicity and flexibility in charitable giving
-  maximum tax advantages
-  the knowledge that the gift will benefit the community in perpetuity

Your tax deductible contributions to the Fund generate earnings that are given back to the community in the form of grants. An advisory board, comprising local neighbors and business people, oversees the Fund and the disbursement of grants. For a list of current board members, visit [www.gcfndn.org/nky](http://www.gcfndn.org/nky)

The Fund's affiliation with GCF provides extensive grantmaking experience and philanthropic stewardship skills. In addition, grant dollars from The Northern Kentucky Fund are combined with financial resources from GCF's grant pool to make an even greater impact in the region.
