

The Greater Cincinnati Foundation
Scholarship Funds 2010

Scholarship funds are established by organizations, families and businesses to provide college scholarships and other educational opportunities. Many GCF scholarship funds are administered by the Cincinnati Scholarship Foundation, which accepts applications and selects recipients. Other funds are managed by committees following eligibility guidelines set up when the funds were established. Either way, GCF provides the exemplary financial stewardship necessary to ensure that these funds can continue to support student's dreams far into the future.
