THE CINCINNATI BUSINESS AND PROFESSIONAL WOMEN'S SCHOLARSHIP FUND

The purpose of this scholarship fund is to assist women aged 25 or older who are starting or returning to school to pursue an associate or baccalaureate degree at an accredited school in the Greater Cincinnati/Northern Kentucky area. Scholarships are awarded based on academic performance, accomplishment, financial need, potential, and quality of the application package. The amount awarded may vary from year to year, based on number of applicants and funds available, but will not be less than \$1000.

Funds awarded will be paid directly to the school and may be used only for tuition and fees. Applications requesting funds for room, board, books, computers, or any graduate program cannot be considered. The funds may be used at any time during the next school year after the award is made (summer, fall, or spring semester). An applicant may apply every year she is in school and may receive an award in more than one year. Please note: **You are ineligible for this scholarship if you have already earned a bachelor's degree or if you have more than one associate's degree.**

We thank you for your interest in The Cincinnati Business and Professional Women's Scholarship Fund and we wish you the best in completing your education.
