Established by generous individuals more than 50 years ago, The Greater Cincinnati Foundation (GCF) has helped people achieve their charitable goals and support their passions in the community.

In 1993, GCF teamed with local leaders to establish The Clermont Community Fund of GCF. This permanent, charitable resource brings together donors with the common goal of enhancing the quality of life in Clermont County. Since its inception, the fund has invested in the health and vitality of the communities in Clermont County.

Your tax-deductible gifts to The Clermont Community Fund generate earnings that are given back to the community in the form of grants. With its extensive grantmaking experience and dedication to philanthropic stewardship, GCF ensures the grants are directed to the organizations serving the county’s greatest needs. In addition, grant dollars from The Clermont Community Fund are combined with financial resources from GCF’s Community Fund pool to make an even greater impact.
Through the generous contributions of donors like you, grants exceeding $7 million have been awarded to more than 100 organizations and programs serving Clermont County. Recent grant recipients include:

- **Child Focus, Inc.**: serves more than 5,000 children and their families through early learning, mental health, school, and foster care services.

- **Clermont Counseling Center**: advocates for mentally ill individuals and helps provide safe, affordable housing that meets their needs.

- **Clermont Senior Services**: provides in-home and community-based services such as adult day care, caregiver support, and transportation to help older adults to live independently.

**How to Contribute**

Individuals, companies, and foundations may make current and planned gifts of any size to The Clermont Community Fund. These gifts support the critical work that helps our community thrive. The fund offers you:

- The certainty that your gifts will benefit the Clermont County community forever
- Simplicity and flexibility in your charitable giving
- Maximum tax advantages

You may also establish your own fund and align it with The Clermont Community Fund to support specific charitable organizations, broad fields of interest, or generally to address the area’s most pressing needs.
