Learning Links Request for Proposals

Greater Cincinnati Foundation (GCF) invites your school to apply for a Learning Links grant. An invitation to submit a proposal in no way guarantees a grant award. This is a competitive process. The deadline for proposal submission is Friday, April 12, 2019, by 5:00 p.m.

These grant funds are available because of the generosity of our donors and the continuing support of Charles H. Dater Foundation. The maximum grant award is $1,000, but we accept grant requests for lower amounts. Projects or events must take place during the 2019-2020 school year. Each school may submit up to two applications, either for two distinctly different programs or the same program at two different locations.

Funding Focus
With help from a team of passionate donors and community volunteers who will review the applications, GCF intends to focus on investing in the following area:

- Purpose: To allow local K-12 educators the opportunity for creative and interesting projects or events they would like to bring to their schools or classrooms.

Use of Funds
Funding may be used to support, expand or strengthen existing projects or events or launch new projects or events. Funding may also support capital costs for equipment or supplies which then become property of the school.
Criteria

- Applicants must be teachers, principals and other educators at schools serving students K-12.
- Schools must be located in the Greater Cincinnati region, which includes the counties of: Hamilton, Butler, Warren and Clermont in Ohio; Boone, Kenton and Campbell in Kentucky; and Dearborn in Indiana.
- Preference will be given to projects that:
  - Inspire innovative, creative and fun ideas that encourage student participation.
  - Promote diversity, multicultural or intergenerational events.
  - Have lasting impact on students, the school and its staff.
  - Engage parents or guardians and other community members.
- Proposals will be accepted from schools that meet the criteria and align strongly with the purpose of this RFP.
- Schools applying for funding should verify that all vendors paid with grant funds are on their district’s approved vendor list.

Application Process

Respond to this RFP via GCF’s online grantmaking system using the “Learning Links Application”. After creating a new account and/or logging in, complete the application and submit by the deadline listed in this RFP. Please reach out to GCF staff if you are unsure if your organization or school has an existing account.

Upload the Project Budget in the final section of the application. While not required, it is highly encouraged that you use the template provided.
